ASSUMPTION COLLEGE

When we first came up with the theme of this yearbook, "Waves of Change, Oceans of Possibilities", we were going through a lot of personal changes in our lives. However, as we thought more and more about our college experience, the theme became natural and a very appropriate choice. This theme is so broad, yet so relevant to each and every one of us.

Not a single individual can go through four years of college and not experience some level of change. It may be a change in personality, an adjustment to beliefs, friends gained or friends lost or a million other changes, but no one leaves college as the same person that entered just four short years ago. As they say, "The only constant in life is change", and this is certainly the case in regards to four years of new experiences, new challenges, new highs and new lows.

This yearbook is not only a tribute to the many changes that we all went through in four years, but it also is a look forward to the many possibilities that are out there in the "real world." Our diplomas are tickets to the adventurous and sometimes scary journeys that await us all. It is a ticket that we have all put such hard work into for four years, and a ticket that will have such an impact on our lives to come. Most tickets have a final destination; this ticket has a multitude of departures.

You will see throughout this yearbook the many changes Assumption College has shared with us. The College inducted a new leader, President Francesco Cesareo and the President's house has been replaced with a Welcome Center to better serve the College. The College's colors have changed to a different shade of blue and there has been the addition of "Target Thursdays" and Saturday busses off campus for underclassmen.

Some of these changes are highlighted in the "50 Things only an Assumption College Student would know". This is the 50th yearbook in the history of Assumption so we thought it would only be appropriate to celebrate this as the 50th volume of the Heights Yearbook. To not recognize Cliff, the insane heat in Maison or Sunday Sundaes at Taylor would be completely unacceptable.

Our hope is that when you receive this yearbook, you are able to enjoy and recognize the amount of hard work and long nights that went into creating it. We hope the yearbook helps you recall memories and moments of your four years at Assumption with joy and remember just how much your relationships with friends helped you through it. We hope you cherish the bonds that were made, and savor this experience that has helped you develop into the person you are today. However, our greatest hope of all is that you use your four years of college to propel yourself into a future that has an abundance of opportunities awaiting you and look to change with excitement rather than fear. You have the ticket, you have the departure date, may your destination be where you want to go.

Sincerely,

Erica Yelmini '08

Here's to you Larry

Above: The Library Staff celebrating the Holidays

When you look back on your years at Assumption and think of all the individuals who impacted your life and helped you on your way to success, it is impossible to forget the kindness and helpfulness of Larry "The Librarian" Sponberg. Whether you needed help with a research paper, needed assistance with the copy machine, or most importantly needed a smile and a cute pun to lighten your step, Larry provided one every possible occasion.

Larry is retiring this year after many years of service to the Assumption Community and there was no question in anyone's mind that this year's yearbook had to be dedicated to him. He is a most deserving candidate and the Library and Assumption College as a whole will deeply miss him. We, the Class of 2008, wish you all the best and our hope for you is to experience the joy you have given all of us.

The background of the page features a light beige color. At the bottom, there is a large, abstract graphic design. It consists of a dark purple base with several wavy, blue shapes rising from it. Scattered throughout this design are various circles in shades of blue, purple, and white. The word "Seniors" is written in a large, bold, blue font with a black outline, positioned on the right side of the blue wavy shapes. Below it, the text "Class of 2008" is written in a smaller, white font with a black outline, positioned on the left side of the blue wavy shapes.

Letter From the Class President

ASSUMPTION COLLEGE

STUDENT GOVERNMENT ASSOCIATION

Dear Class of 2008:

Four short years ago we unloaded our belongings into our new homes, the first year at 500 Salisbury Street. Like many first year students, I came to Assumption College excited to begin the experience that everyone I knew kept calling the "best four years of your life". We were curious and anxious about what the next four years would entail and how each year would challenge us to grow.

As the years progressed, we each found our own way. We carved niches for ourselves though class, clubs and organizations, residence halls, athletics, and on-campus events. Our sophomore year bonded us as a class as we experienced the housing lottery for the first time, or were lucky enough to live in the LLC. Junior year gave us added benefits of being upperclassmen, like the sold-out trip to Montreal. And now, as the countless senior events go by, we make sure we take advantage of each last minute as a college senior.

At Assumption, we've made countless memories that we will keep with us forever. These memories don't end at graduation; rather they go beyond the four years we spent here. These memories are what make us who we are today. We all equally complained about Taylor Dinning Hall, the General Education Requirements, and pulled at least one all-nighter. However, I am going to choose to remember how we all came together to celebrate Pup Cub Weekends, cheered at a sporting event, happily went to Taylor for Midnight Breakfast and ran to many events just to win a free t-shirt.

We have created friendships as a class that I know will never be lost. I encourage you all to stay in touch, whether through email, phone, or instant messenger. I could never picture my college experience without the college classmates. I'm also choosing not to say good-bye to my friends, but rather saying, "see you at the next reunion."

Best of luck now and in the future, and remember, graduation is not the end but the continuation of the best years of your life.

Congratulations,

Kathleen DiBuono

Being abroad changed my life. This is what most people who study abroad say. I visited over six different countries, in Europe and Asia. My experiences gave me really good conversation starters; such as, "Anyone else ever been chased by a crazed Welsh sheep?" I spent my entire junior year with 11 British flatmates, who also traveled, and they taught me how to find my place in a different culture.

A Part of Your World :

Study Abroad

I never did quite get the hang of saying 'nice trousers' instead of 'nice pants' (their word for underwear), but they did teach me the importance of opening my eyes to what is out there. As a good friend of mine told me, "A traveler sees what he sees, the tourists sees what he has come to see."

World Champions

The Class of 2008 began and ended their college careers celebrating the victories of the Boston Red Sox 2004 and 2007 World Series Championships. Following the wins, the campus came to life with cheering and celebration uniting the Class of 2008 and giving them memories to last a lifetime. In 2004, a parade of students walked to the President's Mansion. In 2007, students gathered around various parts of campus to celebrate.

Even though we've changed and we're all finding our own place in the world, we all know that when the tears fall or the smile spreads across our face, we'll come to each other because no matter where this crazy world takes us, nothing will ever change so much to the point where we're not all still friends.

Class of 2011 Orientation

You Belong!

Starting from the first day when we sat around the table as strangers to the last day when we ended-up as 29 good friends. We spent every day and night together; training, working, and laughing until we cried. The memories created turned to inside jokes: from the jam session in the breezeway to Peter Jennings; from Dance Parties in Alumni to "Rock this Party" in bowling alley parking lots, from water balloon fights to DO WORK! Orientation is an experience that is hard to put into words. The best way to describe this experience is to say that the 29 people you spend those 3 weeks with not only become your friends, but also help you grow through love, laughter, and a bond that is never broken. To all the OLs, we thank God every day we were able to meet and form friendships with you. Love you all and we will miss you!

AC's Own Pub...

Welcome Back, Alumni!

Fall Semester brought a lot of new and old events. One of the new ones was Alumni Pub Night held in Charlies, where students came together and catch up with some of the Alumni who decided to attend. The band Astrovan was enjoyed by all. There was a lot of dancing and socializing, and it was a great way to start off the year, both for seniors and the rest of the college. Underclassmen hope this will become an annual event.

Following a 10-year tradition, the Class of 2009 ventured their way to Montreal, Canada from Friday, November 9th to Sunday, November 11th. As Class President, the other Class Officers and I began planning the weekend trip at the beginning of the fall semester. This year's trip to Montreal certainly proved to be a success. Every junior attending the trip received a black drawstring bag with the Canadian flag and the trip dates. Though the bus ride lasted about 6 hours, when we entered the vibrant streets of Montreal, it was worth it. We spent the weekend

at the Le Nouvel Hôtel in downtown Montreal, where we could do anything from sightseeing, to shopping, to checking out a variety of local restaurants. Although it was a chilly weekend, we were fortunate enough to have cool, dry weather. Overall, the Class of 2009 trip to Canada will forever be marked in our minds as an enjoyable adventure with many Montreal memories.

Winter Soiree was held December 5th, 2007 and was sponsored by the Class of 2010 and 2011 Class Assemblies. This year we created an additional theme of "Snowball," transforming the Hagan Campus Center Hall into a winter wonderland with snowflakes and silver and white sparkles. Before entering the dance everyone got the opportunity to strut their stuff on the icy runway lined with snow. The Soiree was a success and we collected 3 boxes of canned goods to donate to the Worcester County Food Bank.

Pup Cup 2008!

This year's Pup Cup Weekend theme was "Nickelodeon: A Throwback Pup Cup." Friday, May 2nd's events included the Wiffleball Tournament in the afternoon and the annual Mr. and Miss AC contest that evening.

Saturday's events included the Carnival that was supposed to be in front of Hagan, but had to be moved because of the typical New England weather. After the carnival, there was a barbecue where all enjoyed great food. The weekend was concluded by a "Legends of the Hidden Temple" dance where everyone dressed up like their favorite characters of the show.

Everyone had a great time as usual. It was a fun and safe weekend and students cannot wait to hear what next year's theme will be!

Campus Activities Board - CAB

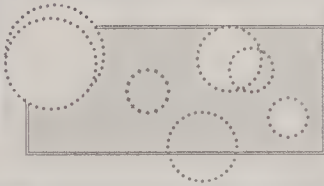

The Campus Activities Board brought the theme "AC Runs on CAB" to life with a calendar full of events that kept students busy all year long. Our 15 executives worked hard bringing all kinds of entertainment to campus, starting with Fall Welcome Week, first semester. Charlie's was packed with comedians and musical performers courtesy of our Comedy and Live @ Charlie's executives. Our Formal Events executive had students dancing the night away at our Winter and Spring balls. Our Special Events executive kept students guessing with events ranging from BINGO to a drive-in movie, and our Concerts executive brought us three great events this year with Fall Fever, Spring Fever and the Spring Concert. Assumption families and siblings were treated to great entertainment by our Family and Siblings' Weekend executives who created exciting themes and fun events for two wonderful weekends. Our Liaison and our Treasurer had the important task of making sure the behind the scenes work ran smoothly, updating students weekly about all campus events and keeping our budgets on track.

This year's group of executives was creative and innovative, bringing lots of different personalities to the office and creating a great working environment where new stories and experiences were sure to be found all year long. The Chairperson and Assistant Chairperson had a great year guiding these hardworking students, and couldn't be more proud of them.

Assumption's undergraduate student newspaper, Le Provocateur, (known by the college as the "Provoc") is a bi-weekly publication that circulates over 600 copies around campus and reaches over 2,000 readers. The Provoc staff consisted of 8 editors for the '07-'08 year.

Stop the presses... Le Provocateur

The Provoc is the voice of the students and reports not only on campus events but on Worcester-related topics, as well as many controversial issues. The Provoc covers sections such as News, Opinion, Feature, Arts and Entertainment, and Sports.

The editorial staff dedicates a lot of time to each issue and spends a lot of late hours in the office. Everyone works together to lay out each of the twelve 20-page issues and has a lot of fun doing it.

The Residential Life staff is comprised of various students and staff. RAs are always there to help with a problem, listen, and keep residence halls both fun and under control.

Residential Life also joins multiple groups on campus in attending a summer camp during training to familiarize themselves with different groups around campus.

Assumption's SGA spent another busy year working hard to improve the school. SGA prides itself on its active part on campus. During their meetings, SGA tackled difficult issues that are important and vital to the College. Some prominent issues this year included the recycling program, the addition of Charlie's gift cards, and discussing AC Allies.

This year, the Executive chairs were occupied by President, Tom Law, VP of Financial Affairs, Meghan Aceto, VP of Academic Affairs, Meghan Donahue, VP of Student Affairs, Kevin O'Connell, and Senate Speaker, Valerie Cancellieri.

Reach Out Center

Above: Colleen Penkala and Paula Hartigan volunteer their time to help with the Voices for Children Bike Ride

The Reach Out Center is a student run organization that gives students the opportunity to do service work both inside and outside the walls of Assumption College. The Reach Out Center allows students the opportunity to mentor children, bond with the elderly, work with women in crisis, help the homeless, and much more through their relationships with over 30 Worcester agencies. The Reach Out Center cultivates and develops strong student leaders as each program is run by a student Service Director who is responsible for the coordination of volunteers and the development of activities and projects within the agencies.

We hope to leave every student who volunteers through the Reach Out Center with at least one memorable experience to take back to their life both in and after college. We believe service is not about changing the entire world all at once, rather it is doing the most you can, where you are, at this moment.

Campus Ministry

Campus Ministry offers students opportunities to explore their spirituality, grow in faith, and put their faith into action. We strive to give life and meaning to the Assumption College motto, "Until Christ Be Formed In You." Our work is carried out through liturgy, prayer, retreats, alternative break service trips, chapel choir, discussion groups, spiritual direction, and many other programs.

This year, Campus Ministry welcomed two new Campus Ministers to its staff. Our office in Charlie's was renovated and now offers a warm welcome to all who come. In all that we do, we welcome students of all faiths and walk with students along their faith journeys, wherever they may lead.

The 2007 season showed that the Assumption College Greyhounds were stepping up and ready to take on all those they challenged. Although they lost their first game to Sacred Heart, this did not stop their drive to become a top contender in the Northeast-10 Conference. Winning their last three games against LaSalle, C.W. Post and Pace University, the 2007 season was truly defined when the Greyhounds trounced the St. Anselm Hawks by a vicious score of 71-21 on the Hawks home field. Undaunted and determined as ever, many in the Assumption community eagerly anticipate what is to come in the 2008 season and beyond.

This year the Assumption College Women's Field Hockey Team produced an overall record of 8-11 and a record in the North East Conference of 6-10. Captains Jenna Luce, Class of 2008 and Danielle Perron, Class of 2008 provided the team with strong leadership both on and off the field. The team proved to be a strong opponent, which showed in their many overtime victories. The Greyhounds had four games that went into overtime this season and won three of those four games.

Field Hockey

The Field Hockey team had strong victories against Franklin Pierce, Merrimack, American International and Saint Michael's. While they will lose five seniors this year, the underclassmen on the team are prepared and poised to be a strong opponent next season.

Going For Goal

Men's Soccer

The Men's Soccer team finished their season with a record of 6-9-3 and 4-7-2 in their conference. They tied for eighth place in the NE-10. The team was led this year by captains Austin Prete '10, Joe Drain '08 and Paul Murphy '09. They had three shut-outs in the season against Queens, Stonehill and Saint Rose.

Most of the teams successes were here at home, with a record of 5-2-2 for home games. Top scorers include Jeffrey Swan, Stephen Blaisdell, and Paul Murphy. The coming years are bound to have stronger victories as this younger team stays together.

Women's Soccer

GOAL!!!!

The Assumption College Women's Soccer Team had a transitory season this year. Their overall record was 4-11-2 with a Northeast-10 Conference record of 3-10-1. The strong senior leadership of Captains Lauren Matysiak and Ashley McMahon led this year's team. Although this season did not result in a lot of wins, the Women's Soccer team did defeat Saint Anselm, Bentley, Pace and Georgian Court from New Jersey. The team will lose five seniors this season. However, the underclassmen on the team are prepared to be a threat next year.

The 2007 Assumption Men's Cross Country team was a force to be reckoned with. They were ferocious runners in every race, tearing up the course and always pushed themselves to the limit. The team developed close friendships and had a lot of fun throughout the season.

Next year the Hounds Cross Country team looks tough. Returning almost all of it's top runners, the team has great expectations. However, the team will surely miss their great leader, Jon Dupont.

It is easy to see that the Women's Cross Country team worked hard during their season. They are one of the few teams that will still work outside despite any inclement weather. Even in the rain you can see them running hills and getting splashed by passing cars on Salisbury Street. While led by coach Gary Jusseume and captain Brooke Perron, the team was sure to do well.

The girls consistently placed throughout the season against other NE-10 athletes, earning themselves a chance in the N.C.A.A Division II Regional in New York. There they placed a respectable 12th out of the 18 teams represented.

Women's Volleyball

Assumption's women's volleyball team ended the 2007 season with a winning record of 13-11. They added another record to the book in the most points in a game category, with 32 against Franklin Pierce in September. For senior and Captain, Lauren Raswyck, it was a season to remember. The team is looking forward to a successful season next year with a strong group of returning players.

Men's Basketball

This year the Assumption College Men's Basketball team really showed off their skills and talents. The team achieved many records, including achieving the team's 1000th victory in the school's history on December 29th, 2007. The team had a close game at UConn and had a 24-11 overall record. To finish the season the Greyhounds fell just short in a defeat to Bentley in the NCAA Regional finals.

This year the team was led by senior captain Greg Twomey who provided excellent leadership both on and off the court. The team was also led by seniors Alex Popp, Corey Diethorn, Mike Foti and Leroy Byron. Although the Greyhounds lost five seniors after this season, the underclassmen on the team are poised to continue the legacy that the Class of 2008 left behind.

Women's Basketball

The 2007-2008 season was a turn around year for us. We came into this season with one motto: "no excuses." With this motto it gave us strength, determination, confidence, and motivation. We were able to make tight bonds with each other early into the season by making trips to the Disney Classic tournament in Florida and the San Diego Surf 'N Slam tournament. With four seniors on the team we were able to not only lead by example, but also lead vocally.

This season by far has been the most memorable and successful season for us. The seniors would like to thank our coaches for making our college experience unforgettable and to our teammates who have made it an enjoyable, exciting, outgoing and loving environment to play with. We will never forget the ups and downs and the struggles we had to endure to make our last year a successful season. We wish you nothing but the best of luck, academically and athletically in the future. Thank you all for everything. We will miss you and we love you.

Men's Ice Hockey

The AC Men's Ice Hockey team skated away with a regular season record of 7-18. The squad started well with a 5-4 record through the end of November. The team had quality wins over WNEC, Framingham State, Suffolk, and Franklin Pierce. Unfortunately, December and January were tough months as the team struggled. In February, the Ice Dogs skated away with a couple more wins against Fitchburg State and Worcester State (Senior Night), playing better as playoffs approached in the Northeast-10 conference.

The forwards were led by a strong senior class consisting of Jim Trahon, Luke McDonough, John Routhier, Matt Paget, Mike Rust, Pat Ciummo & Sean Staid. The group provided leadership and guidance for our younger forwards; they will be missed next season. The defense was anchored by Phil Demers, who was the lone senior in the group. During their careers, the senior class helped the Ice Dogs compete against some of the top competition throughout the country and raised the profile of the Men's Ice Hockey program. They should be proud of their accomplishments throughout their four-year careers.

AC Softball

The 2007-2008 season started off at spring training in Florida, where we defeated a top team in the country. This was a huge milestone to start off the season. Being a young team, our 3 senior leaders were looked to for their passion and great ability in sparking team chemistry. The younger players learned and progressed through their great leadership. We played 36 games in a month with a strong finish to the season, winning 5 out of 10 games. We attribute this success to the seniors who never gave up.

We would like to thank a few members of the team: Lannes, Korina, and Helm. Lannes had a strong presence and led the team by example, never asking to be recognized. Korina was our vocal and organized leader with her "shlaffy slap." Helm will be missed for being herself by loving the game and being excited about it every chance she got.

As we close out this season, we're happy to have had the opportunity to play and make friends. We would all like to wish the seniors the best of luck in the future. Thank you for all you have done and left behind. We will treasure the memories of this season forever. As for next season, we will have a solid core of individuals returning and we are excited to progress in the off season and become a force in the NE-10!

The 2007-2008 Assumption College Baseball team won 20 out of 47 games this season. With captains Scott Boyle, Mike Baillargeon, and Michael Colebrook, the Hounds were able to unite and win as many games as they did.

The team went to Fort Myers, Florida for their spring training. There, they were able to practice and get ready for their successful season in the Northeast.

Their last game was in Smithfield, RI at Bryant, where they won 20-6. It was a great ending to a great season. The team would like to thank their captains and those who are graduating. They send their deepest gratitude to Coach George Reidy.

This year the Assumption College Women's lacrosse team had a rebuilding season. The team had an overall record of 2-14 and had a record in the Northeast-10 Conference of 2-8. This year the team was led by captains Katie Cappiello and Jenna Goldstein, both from the Class of 2008.

The team racked up their two wins against American International and Franklin Pierce. Their second win of the season came at the last game against Franklin Pierce. With a positive ending to the season the Greyhounds are ready to step it up next year and be a major threat in the conference.

The class of 2008 led the campaign as they strove to improve upon a successful 2007 season. This year found a very young Greyhounds lacrosse team on the brink of the Northeast-10 Conference playoffs. With the post season firmly in their sights seniors Brandon MacNeil, Brian McCowan, Hakim Morris, Donnie Bowers, Matt Klaskin, as well as senior captains Alex Iorio and Chris Bird jumped headlong into competition. The 2008 campaign was one of small victories as a young Greyhounds team competed for the Northeast-10 Conference championship.

Men's Lacrosse

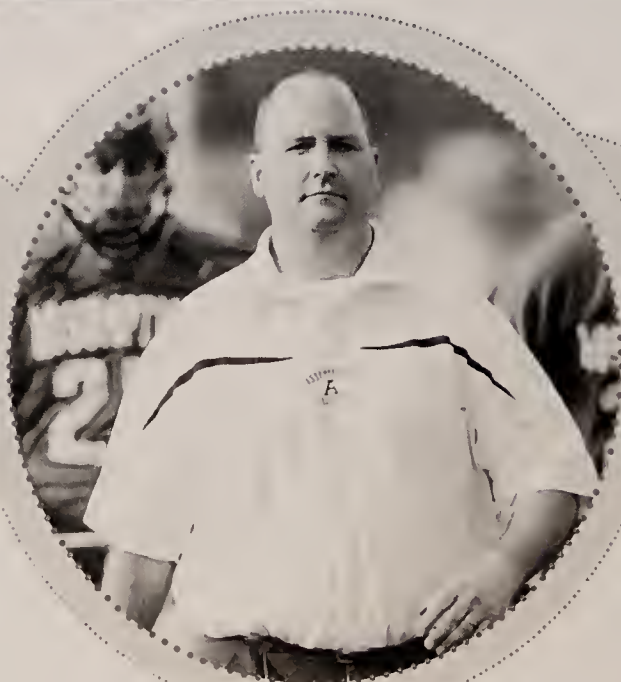

The high point of the 2008 season would have to be the achievements of Sr. Midfielder Brandon MacNeil as he set the all time career assist record against LeMoyne College on April 12, 2008. MacNeil's assist on a goal by Kyle McKay made him the all time assist leader at 62 and finished with 70. The Greyhounds saw significant contributions from new comers to the program and with the growth of the young Hounds the future for Greyhound Lacrosse looks bright.

Women's Tennis

The 2007-2008 season for the Assumption College Women's Tennis team was a strong one. The women had an overall record of 5-8 and had a 5-7 record in the Northeast-10 Conference. Captains Megan Wnuk and Roz Urso, both of the class of 2008, led this year's team. This year's captains provided the team with a great deal of leadership both on and off the court. The team had strong wins against American International, Saint Rose and a dominating win against Franklin Pierce. The team had close defeats against Saint Anselm and Saint Michaels. With this year's team losing four seniors the underclassmen on the team have big shoes to fill.

Women's Track & Field

Citius, Altius, Fortius, which is Latin for "Swifter, Higher, Stronger", is the Assumption College Women's Track & Field team's motto. These words urge athletes to surpass the achievements of the past and aspire to greater performances. When changes were brought to the program, the team left the past behind and made goals for the future. Led by captains Teresa Kuehhas, Lauren King, Brooke Perron, and Molly O'Connell, the Hounds dominated at the Connecticut College Invitational with all four captains scoring major team points.

Another season highlight was when the team claimed the Worcester City Outdoor Track Title. This revealed the depth of the underclassmen and their ability to perform in extreme weather. The team had its share of ups and downs over the past couple of years. Against all odds, the team arose from their past and pursued a future of dignified virtues and utmost determination. With the drive and willpower of the underclassmen, Assumption Women's Track & Field team will carry on a tradition of strength and resilience.

Men's Track and Field

The Assumption College Men's Track and Field team had a successful 2007-2008 season. With the mind set of: "Running is what your sport does for punishment", the Greyhounds exhibited strength, agility, endurance and dedication throughout the entire season. This year's Indoor team was led by three captains: Shawn Dominik, Brian Caccavale and Ian Ferguson and the Outdoor team was led by Shawn Dominik, Ian Ferguson and Conor Gallagher. Both the Indoor and the Outdoor teams had solid leadership and were under the tutelage and guidance of their Head Coach Gary Jusseaume and Assistant Coaches Emma Gardner and Stan Egbor. The Greyhounds lost three seniors this year, but the underclassmen are poised to continue a legacy of greatness.

Women's Rowing

Although there were challenges at the start of the season, women's rowing ended strong during the final weeks of spring. This year the captains for the Greyhounds were Tyler Johnson, Jamie Farrea and Rob Younker, all from the class of 2009.

Women's Varsity Swimming

Women's swimming and diving will officially begin in 2008/2009 as a varsity sport. This season, under the umbrella of athletics, we swam in seven unofficial competitions and gained immense experience. The team was awesome in this transition year. We faced teams like Clark, Holy Cross, WPI, Bryant, UNE, Pace, Bridgeport and UMass Dartmouth who collectively have over 350 years of recruiting and experience at a varsity level. Competitors were impressed with our enthusiasm and team unity. We fulfilled our goal of spreading the word that AC has a team and are willing to take on anyone. Twenty-three women started in the Fall of 2007 and at our last meet against UNE, we had twenty-two swim!! Three seniors are graduating: Kathryn Pietrosimone (captain), Alex Gagne and Ashlea Rundlett. It has been a privilege to coach these student-athletes and get to know them as individuals. The team and I will miss their leadership and enthusiasm for the sport. Go seniors!

With a variety of teams and individual sports available year-round, the Plourde Intramural Sports programs offers all students the opportunity to get active and enjoy the sports they once played or allows students to try sports they never have before. From basketball to dodge ball, floor hockey to flag football, there are tons of sports for students to choose from. This year the motto of the Intramural Sports program was "Too Good for Varsity" and the motto was a great success.

Fall Welcome Back Week was another success this year with the theme of AC Best Week Ever. The first night back, hypnotist Joe DeVito showed his stuff and the next night we had comedian Alex House, who was on "Last Comic Standing." She delighted the crowd in Hagan Campus Center and had everyone laughing throughout the night.

Our next event, BINGO, was a crowd favorite. There were some amazing prizes that included a digital camera, an Ipod and Ihome. Lastly, we offered a trip to the Big E. Those who were able to snag tickets clearly enjoyed it. Students stuffed their faces with food from all the New England states, shopped, played carnival games, and went on rides.

Fall Fever

Lions, elephants, and clowns...oh my! This year, CAB brought the circus to campus by making fall fever's theme "Under the Big Top." Giant inflatable elephants were hung throughout campus announcing the spectacular event which took place on Saturday, September 22. The beautiful weather set the stage for a fun filled day of games, novelties, music, and food!

The Assumption College Campus enjoyed playing carnival games set up inside vibrant red and white booths, racing each other in the giant inflatable called the "adrenaline rush", battling it out with oversize boxing gloves, and testing their strength at the hi-striker. Students also enjoyed taking silly carnival photos as well as posing for picture key chains and magnets. Later in the day, the crowd feasted on delicious BBQ while listening to the fantastic music provided by the cover band "Pink Noise." Everyone seemed to enjoy their day of "clowning" around!

Each of the four floors of Irish Times offered something different. The first floor featured a live band; friends played pool on the second floor; everyone enjoyed dancing on the third floor, while others looked on from the balcony of the fourth floor. This was the beginning of our last year and was the perfect way to kick off the year of celebrations and new adventures!

Inauguration

Above: Tom Law, Class of 2008, SGA President, giving a welcoming speech to our new President

As I reflect back on my inauguration I recall how overwhelmed I was by the emotions I felt throughout the day. I assumed the presidency out of a sense of vocation and understand my work as a ministry in service to the Church by the promotion of Catholic higher education. I am at Assumption to serve this community, especially our students, and lead all the members of Assumption to a deeper living out of our motto, "...until Christ be formed in you."

My hopes for Assumption College were captured by the inauguration theme, "Transforming Lives: A Community of Learning, Faith and Service." As a Catholic liberal arts institution in the tradition of the Augustinians of the Assumption we foster an environment that sees education not simply as the transmission of knowledge or the acquisition of a set of skills, but more importantly as a process that is formative and transformative. I look forward to accomplishing this goal in the years ahead.

The teams definitely did not disappoint this year. The men's team showed off their gravity-defying skills as they performed a dunk contest to get the crowd excited. Families Come Home TO AC

Family weekend at Assumption College was an enjoyable time for one and all. The theme for the weekend, "Families Together, Memories Forever," fit perfectly with the memorable events that took place Friday, October 19 to Sunday, October 21. The weekend, coordinated by Hannah Brencher, Melissa Craffey, and Brandon Pare, kicked off with the annual family BINGO on Friday night. Families played anxiously together in hopes of bringing home a new digital camera or one of the other great prizes. The night continued with an Assumption College Talent Showcase; presenting acts such as the Step Team and the sweet sounds of Assumption's finest singing groups. Saturday was packed full with carnival fun and a President's reception after the football game. The campus was still buzzing with excitement from the previous weekend's inauguration of the new president, Francesco Cesareo. That night, families enjoyed a double dose of entertainment from Comedian Michael Dean Ester and the A Capella group, 5 O'Clock Shadow. By the end of the show the whole crowd was up dancing. Overall, the weekend was packed with memories that will be sure to stay with the families in attendance for a long time to come.

The night of the walk, SGA members served hot dogs and hamburgers and others entertained the crowd. After some words from The Leukemia & Lymphoma Society® and President Cesareo, the walk began.

The walk route began outside Laska Gymnasium, went down campus to Salisbury Street, and then to nearby Notre Dame Academy, and back to Assumption. The event was a huge success with an increase in the number of walkers and new levels in funds raised.

Halloween: AC Style

Halloween at AC is the equivalent of a national holiday. Boys and girls alike dress up in costumes ranging from ghoulish to gaudy just as we all did when we were younger. Although the trick-or-treating may no longer be an acceptable activity for college students, Halloween is still a fun excuse to dress up and make a complete and total fool of yourself.

There were a great number of Harry Potters and Hermione's flying around campus, the expected cowgirls, a solid number of Britney Spears impersonators as well as the traditional ghosts and goblins. The night gave a welcome return to childhood to those willing to risk the looks on the faces of the less adventurous.

The 2007 Assumption College Holiday Ball themed "An Evening in Paris," was held at the DCU Center on Saturday, December 1, 2007. Before the doors opened students enjoyed hot and cold hors d'oeuvres.

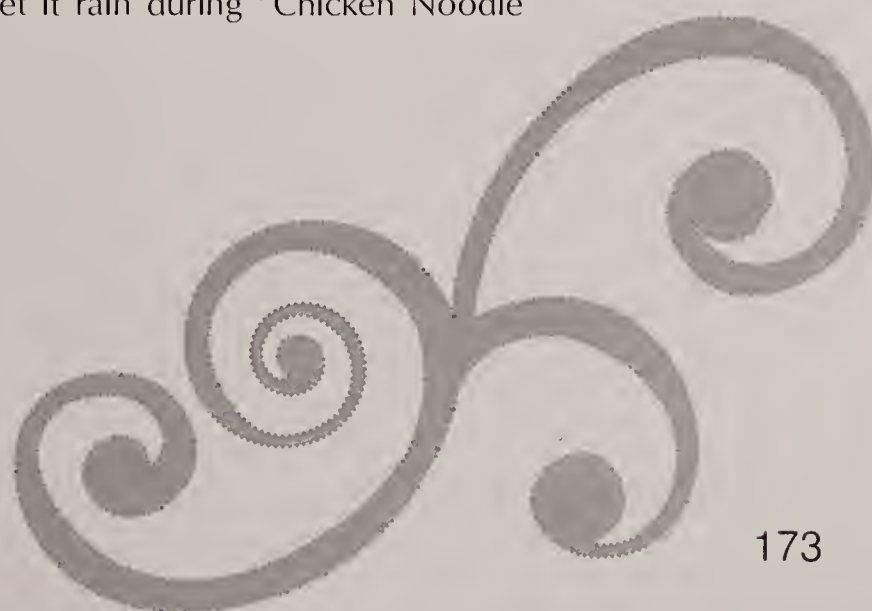

Students entered the ballroom to find tables decorated with Eiffel Tower candle holders or a collage of Paris pictures. Darren Hazeur welcomed everyone and gave the night a blessing with an evening prayer. The appetizing meal options included Chicken Florentine, beef tenderloin, or a vegetable lasagna torte. Dessert was a delightful chocolate cake.

After dinner and dessert, students enjoyed an evening of dancing. Everyone had a great time and were happy they were able to experience this illuminating night.

Christmas in Charlie's

Christmas in Charlie's is an annual event that all members of the Assumption community enjoy. On Wednesday, December 5, 2007 Christmas in Charlie's was in full swing. The Reach Out Center sponsored a table for students to make cards for children at the Wheeler Clinic. CAB's picture snow globes were a hot commodity. Campus Ministry had ornaments for students to decorate. There was a cupcake decorating station and delicious egg nog provided by Sodexo. Christmas in Charlie's always brings out the Christmas spirit and holiday cheer from the Assumption College community.

Midnight Breakfast

Above: Billy Lewand and Ashley Chapdelaine enjoy the delicious Taylor food

Midnight Breakfast was held on December 6th, 2007 for students to take a break from their intense studying and paper writing. Larry the Librarian performed his usual jokes and entertained the stressed-out students as they ate tater tots, waffles, sausage, eggs and much more. Faculty, staff and administrators helped serve the food to the hungry students and wished all of the students luck on their upcoming finals.

Many were wearing Santa and Elf hats to celebrate the upcoming holiday season while others wore reindeer antlers and sang Christmas carols to unsuspecting students. The delicious food provided a much needed break for students and gave them the energy they needed to finish out the final days of the semester.

100 Days Left...

February 8th, 2008 Maxwell Silverman's was the start of the Spring Semester senior events. The night was filled with good music, great food and even better drinks. Students ventured out in the cold to take a school bus to Maxwell Silverman's, but once there students were not disappointed. Throughout the entire night cameras were flashing and everywhere you turned there were signs welcoming Assumption College.

The music selection ranged from Miley Cyrus aka Hannah Montana to Michael Jackson with "Thriller." The night for most included reconnecting with friends and dancing the night away. 100 Days was a fantastic way to kick start the end of a college career.

On Friday, February 15, 2008, 30 senior retreaters and 17 senior retreat leaders arrived at the Calvary Retreat Center in Shrewsbury, MA for the 9th annual senior retreat. START retreats are open for all students in the form of 2 retreats (START 1 & 2); however, for seniors, there is a special one designed to help them reflect on their 4 years at Assumption and prepare them for graduation. The theme this year was "Who do you want to become?" and included this passage from John 8:12: "Whoever follows me will not walk in darkness, but will have the light of life."

The retreat got started with group activities and there were four talks on topics including growing up, who do I want to become?, community, and growing in faith. The food was delicious which was made by the staff of the retreat house. The team was led by rectors Allyse Gruslin and Jeff Roy. They prepared the retreat for 5 weeks and succeeded in presenting a wonderful and unforgettable senior retreat for all!

Siblings' Weekend 2008: The fun began at Bingo where some lucky players won prizes like an iPod karaoke machine, a Barnes and Noble gift card, and Siblings' Weekend t-shirts. Later, students and siblings enjoyed the Board Game Extravaganza where they played favorite childhood games, including Chutes & Ladders and Trouble, and made their own sundaes. On Saturday the world of Dr. Seuss came to life at the carnival with a giant slide, a bounce house, spin art frisbees, and sand art. Finally, juggler and comedian Michael Rosman ended the weekend on a high note when he wowed the crowd with his unicycle and flaming s'more!

Over 100 students participated in the S.E.N.D. Program through Campus Ministry this year. Over winter break a group went to West Philadelphia and while most students traveled to far away beaches over Spring Break, volunteer groups traveled to Baltimore, MD, Washington D.C., the Bronx, NY, New Orleans, LA, Lansdale, PA & West Philadelphia. Shortly after the class of 2008's graduation, two groups headed to Texas and various locations in Mexico. Students have worked with people with addictions, attended a workshop with a Catholic lobbyist group called "Network," worked with children, and helped to rebuild homes amongst other projects. Not only did students bond with each other, coming home with inside jokes and memories to last a lifetime; they returned home from their service trips knowing they made a difference in the world.

St. Patrick's Day this year fell on a Monday, but that did not stop the Assumption College campus and its students from celebrating the holiday. Green was all around as everyone became Irish for the day. Many students celebrated the holiday in style, utilizing the various Irish Pubs throughout Worcester to show their Irish pride. For those who ventured out for St. Patrick's Day, Leitrim's was a major hot spot.

Luck of the Irish

St. Patty's Day

There were a variety of Irish beers on draft, food was served throughout the day and there were only a select few who didn't sport any shade of green. There were also St. Patrick's Day festivities on campus. "Cheers Assumption" t-shirts were sold in record numbers to help support the underclassmen. This year there was a range of St. Patty's activities and all enjoyed this festive holiday.

AC Spring Concert

Gavin DeGraw at Assumption!

This year the Assumption College Campus Activities Board proudly presented Gavin DeGraw with opener Mieka Pauley as the Spring concert performers. Assumption College was the second stop on Gavin's country-wide tour. He rocked the Plourde Gym by playing his signature songs as well as many new ones which will be on his second CD, which debuted on May 6th. The audience swooned and swayed to the beats as Gavin sang, played the guitar, and tickled the ivories. Gavin was extremely grateful for the turn out of over 800 fans and even made time to take pictures and sign autographs.

"The Big Game"

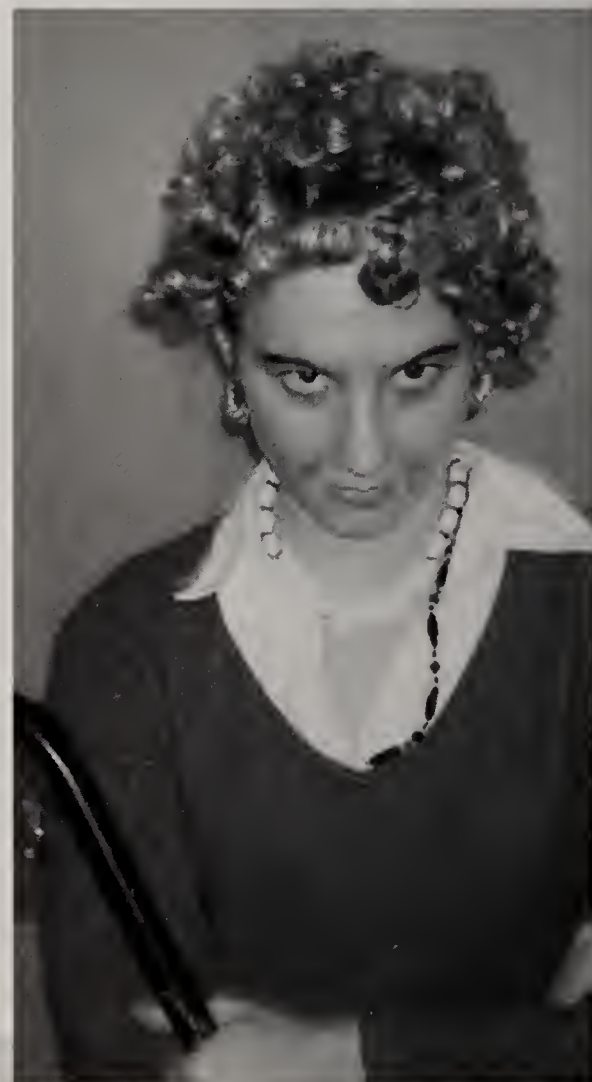

AC's Fall Play

AC Upstage and G-MAN Company presented "The Big Game" in the Auditorium of La Maison Francaise from November 8-10 at 7 p.m. This event was free and open to the public.

A comedy written and directed by Assumption sophomore Jim Thibeault, "The Big Game" featured four football fanatics who lived for two seasons: football season and off-season. The guys count themselves among the gridiron's most diehard fans. Their exuberance for their team's dreadful performance has raised the ire and tested the patience of the women in their lives. In the end, this had led to humorously strained relationships.

"The Big Game" stars Assumption students: Matt Wright, Lisa Egan, Julie Morrison, Jon Bishop, Michael O'Connor and Mathew Garlin, the play's producer and script supervisor, and featuring Heidi Lukas as "Mrs. Cole."

Come Sail Away

With Me...

Spring Ball, 2008

The 2008 Assumption College Spring Ball themed "Come Sail Away With Me" was held at the DCU Center on Saturday, March 29, 2008. Students were able to enjoy fruit and vegetable hors d'oeuvres before the doors opened to the main ballroom.

When students entered the ballroom, their tables were decorated with anchors or lit sailboats. Stephanie McCaffrey blessed the ball before dinner with a nice prayer. Meal choices included chicken escondito, beef tenderloin, or vegetarian torte, and the dinner was concluded with tiramisu.

Dancing commenced after dinner and dessert. The night was a huge success and all who attended had a blast.

50 Days To Go

50 Days Party

April 4th, 2008 was the 50 Days Party at Maxwell Silverman's. Assumption College seniors were already accustomed to the location as the 100 days party was held at the same location. Students came to Maxwell Silverman's on buses and once they arrived, fun was had by all. Although there were long lines at the bars and it was hot inside, that did not stop the Class of 2008 from rocking out to the wide range of music. The 50 Days Party was a fun celebration and was a sad reminder that graduation was not very far away.

Duck Day

Why did the chicken cross the road?

To make way for the AC Ducks!

Assumption celebrated their fourth annual Duck Day on April 7th, 2008. The day was perfect for welcoming the ducks back to their campus home. Faculty, staff and students came to enjoy the sunny day and the festivities. Duck day t-shirts and duck calls were abound as Mother Goose and Pierre the Greyhound performed for the crowds. Although relatively new, Duck Day has taken a firm position as a tradition here at AC.

Full of romance, sorcery and disaster, "Into the Woods" spins classic fairy tales into a comical account of what happens when a witch's spell forces the characters of these separate children's stories together. Their journeys merge in a common wood where they must survive encounters with wolves and killer giants, all seeking a happy ever after. Featuring upbeat narratives and powerful ballads, Sondheim's musical provided the audience with more than a stereotypical fairy tale ending, but instead taught life lessons for when things don't go the way they are supposed to. Directed by Brian Tivnan with the musical and choreographic assistance of Fred Frebotta and Jen Agbay, Assumption's cast of 35 students were a theatrical delight.

CAB's Biggest Month Ever!

Above: Erin Flinn and Dave Wheeler take a break from setting up the concert

This year, April was CAB's Biggest Month Ever with the executives putting on seven events in just three short weeks. We began with singer/songwriter Jason LeVasseur who brought his fun and quirky musical stylings up from Tennessee to our Live @ Charlie's stage. The last pub night of the year was a Guitar Hero and DDR tournament featuring plenty of food and miniBINGO. Next, the Senior CAB Execs planned a special event, bringing singer/songwriter Micah Dahlberg onto campus for the last Live @ Charlie's performance to celebrate four great years in CAB. Comedian Rob O'Reilly was the next performer that week for the final comedy show of the year. To celebrate, CAB raffled off a pair of Red Sox/Yankees tickets. On April 19th, Gavin DeGraw was on campus to perform the biggest performance at the Spring Concert. The last event of the year was Spring Fever on April 26th. Students came down to the Hagan Lawn to take part in the Spring Training-themed AC in the Outfield with fast pitch, free wiffle balls, an ice cream truck and photo baseball cards!

AC in the Outfield

Assumption College Spring Fever

Take me out to the ball game; take me out to...Hagan Lawn!? This year the Campus Activities Board hosted "AC in the Outfield: Spring Fever 2008." Everyone enjoyed celebrating America's favorite past time by taking sports card photos, airbrushed laundry bags and putting their arm to the test in the speed pitch inflatable. The warm weather and loud, baseball themed music brought everyone out of their dorms and apartments! Students feasted on hot dogs, ordered ice cream from an actual ice cream truck, and played a few games of wiffle ball. CAB's last event of the year was truly a homerun hit,

Senior Last Night Out

This year Last Night Out was held at Irish Times on May 2nd, 2008. Irish Times was where First Night Out was held as well, so it brought a nice end to the semester before finals began. There was live entertainment that worked the crowd: changing outfits from Britney Spears to becoming Bret Michaels. There was also a Corona Promotions team that offered patrons to roll a dice in search of \$25,000.

The first floor was a more relaxed atmosphere and with each floor one ascended, the more exciting the festivities became. On the third floor there was a lot of dancing and brave students danced on the stage. The Last Night Out festivities were a welcomed end to the semester and a preview of what was to come during Senior Week.

Honors Convocation

AC Students Honored for Achievements

On April 21, 2008, an abundance of Assumption College students and faculty gathered in the Chapel of the Holy Spirit to celebrate the annual Honors Convocation. Fr. Dennis Gallagher began the ceremony with an invocation. President Cesareo welcomed all who came and introduced Dean Knowlton who introduced the speaker. The Honorable Mark Horan, an alumnus from Assumption, spoke to students and guests about his time at the college as well as what should be taken from the college. Honors and awards were presented to many students by Dean Anderson and Dean Knowlton. A reception was held afterwards in the Testa Science Center to celebrate the various achievements.

Senior Week: Day 1

Jillian's

Jillian's was one of the first events of the Senior Week line up and it was a nice start to the week's festivities. There were many different options at Jillian's, from pool to arcade games to inflatable Twister. Jillian's brought out the pool shark in people as the tables were filled throughout the entire night. There was also an appetizer bar available for students that included chips, pizza, dip and hot wings. The long lines at the bar did not prove to be a huge damper on the night as students were able to bond while commiserating over the lack of bartenders. Jillian's was a great venue to have the start of Senior Week and help get students excited about the events to come.

The second day of Senior Week began with the Senior-Faculty BBQ. Originally, it was planned to be outside; however, due to predicted inclement weather, the location was changed to Taylor Dining Hall. Even though the weather turned out nice, it was still a great BBQ.

Students were able to mingle with professors and staff that attended to give a final good-bye. Hot dogs, sausage, potato salad and other goodies were served for lunch. President Cesareo made an appearance along with Class President Katie DiBuono who said a few words to the class about the evening events at the DCU Center and Irish Times. Entertainment included a student band of two seniors, Billy Lewand and Mike McDuffee.

One of the most exciting events of Senior Week was the Spirit of Boston Moonlight Cruise. Students departed Assumption at 9:30 on school busses until they reached Boston Harbor. The bus rides were eventful, including a Queen montage for some lucky riders. Once on the Spirit of Boston, students enjoyed the open bar and dance floor. All were dressed to the nines, girls wearing dresses and skirts, guys wearing suits and ties. It was a beautiful night on the water with a nice cool breeze. The view from the ship was gorgeous and the atmosphere allowed students to reflect on the past four years with their closest friends. Everyone had various stories from the night, but there was one commonality: everyone enjoyed themselves and took advantage of the trip into the city.

The Luau

Senior Week was concluded by a Luau in the Laska Gymnasium. Students checked in and received a lei and souvenir cup to treasure the week. The luau barbecue included food like rice pilaf, chicken or beef kabobs, corn on the cob, macaroni salad, chips and a shrimp bar. There were delicious dessert choices in addition to an ice cream truck.

DJ Dan provided great tunes intermittently through the luau. The cover band, Astrovan, played a bunch of their best hits while people mingled, reminisced, danced and ate. It was a great way to finish off senior week and forever be remembered as that.

Baccalaureate Mass

Baccalaureate Mass was held on Friday, May 16th, 2008 at Saint Paul's Cathedral in Worcester. Bishop McManus presided over the mass and members of the Assumption College Chapel Choir and Campus Ministry were involved with the Mass. Students and their families enjoyed the musical talent of the Assumption College Chapel Choir and various readings by students. The mass was dedicated to freshman Joseph Riley, who passed away suddenly on Mother's Day.

Dancing the Night Away

Following the Baccalaureate Mass many of Assumption's students and their families attended the Baccalaureate Ball in the Plourde Recreation Center. The Baccalaureate Ball is a new tradition at Assumption College and those who attended enjoyed spending time with their families and friends. The night included a dessert bar, dancing to the band StarDust and cash bar. This event brought friends and families closer on the night before graduation.

Commencement

May 17th, 2008

The Class of 2008 graduated on Saturday, May 17th, 2008 and was lucky enough to have beautiful weather. Although the grass was soaked with rain, the sun came out on this special day. Students lined up in the Plourde Recreation Center and walked from there to the tent where Commencement was held. The keynote speaker at graduation was Ambassador R. Nicholas Burns who urged the Class of 2008 to make a difference in the world. The Class of 2008's Valedictorian, Jeff Roy, used his Red Sox jersey to reflect back on the past four years at Assumption College. This huge milestone was celebrated with joy, excitement and hope for a promising future.

As the final days of college come to an end it also means that the Class of 2008's yearbook is also coming to a close. It has been a long journey with a lot of seemingly impossible deadlines, but somehow the work always managed to get done. Working and laboring over this yearbook has provided me with a greater appreciation of the smaller moments throughout the school year and has also helped me appreciate even more the bonds between friends, classmates and confidants.

When I am asked, "Would you do the yearbook again", the essentials of my answer never change. Depending on my mood or how a day in the office went it may be harder to see the light at the end of the tunnel, but this is one experience that I would never have wanted to pass up. The long nights in an office with no windows are completely worth it when I see the finished product. I am proud to say that I was the Editor-in-Chief of the 2008 Heights Yearbook and my greatest hope is for every single one of you who receives this yearbook to realize and recognize the amount of hard work and dedication that went into creating this book of memories. We created this yearbook with you in mind and I sincerely hope that it exceeds all expectations.

The purpose of this yearbook is to help everyone reflect back on four years at Assumption College. The theme "Waves of Change, Oceans of Possibilities" is a true and appropriate fit for what we have all experienced in four years. There have been successes and failures, ups and downs, happiness and sadness. However your experience at Assumption College turned out there is no denying that Assumption has helped shape who you have become and where you are going.

This yearbook was a collaborative effort, and it would never have been completed without the help of so many others. From the Heights Yearbook staff, to people who submitted pictures, this truly is a work of many people's efforts and I truly cannot thank everyone enough for their interest, enthusiasm and support.

Kara Snyder-Gerardi, Assistant Editor

Kara was an enormous asset to the Heights Yearbook. There were times, especially during the second semester, when I was student teaching that a lot of the work fell onto her shoulders. Kara organized meetings to take pictures and talked to sports teams to get articles written for pages without any problems. I could always count on Kara getting work done on time and for a quick story or a laugh. Kara, it has been an absolute pleasure working with you and becoming fast friends. I will always look back on this experience and think of all the things we went through together.

Erica Mandeville, Heights Yearbook Advisor

Erica was a first year advisor to the Heights Yearbook, but she jumped into the role with enthusiasm and courage. Erica was always available to talk about the yearbook and life in general and really made being in our dungeon of an office that much more bearable. Erica always offered positive feedback and was our number one supporter throughout the entirety of this publication.

Dan Smith, Herff Jones Yearbooks Sales Representative

Whether Dan was sending us emails reminding us about deadlines or helping us with a technical problem, he was always available when we needed him. Dan held an InDesign training for our entire staff and really helped get the ball rolling. Dan provided us with focus and direction in which to steer our theme.

Carmella Murphy, Heights Training/IT Support

Carmella provided help throughout the first semester of the school year. She helped with the InDesign training and was a great asset as a technical advisor.

Joe Golia, Director of Student Activities

Joe was always a huge supporter of the yearbook and our efforts. He made himself available for questions about a variety of issues that concerned the yearbook. He helped proof pages and was always an enthusiastic supporter of this year's yearbook theme.

Diane Comstock

Diane could always be counted on for getting pages done and providing us with pictures for all of the CAB events. She always was willing to take on a large workload although she was involved in a number of different organizations on campus. Diane contributed mainly to the Events section of the yearbook and also took a variety of pictures for us throughout the year.

Britny Norbutus

Britny also took on a large workload for the Heights Yearbook throughout the year. She was extremely involved in taking pictures and creating layouts. Britny did a lot of work in the Events section and covered many of the events that occurred on campus.

Matt Scotti

Matt took on a lot of responsibility from the get go and never complained when we asked more of him. He worked primarily on the candid section of the yearbook and put a lot of time and effort into creating the layouts for those pages. Matt also was a great sounding board and always was willing to provide his ideas about where we should go and what we could do to improve pages.

Meg Pfalzgraf and Eileen Brazier

Meg and Eileen worked in tandem on their pages. They took on the role of starting the apartment pictures section, which was a daunting task. They created the layouts for those pages and made sure that all of the names and room numbers were correct.

Steve Morris, Director of Sports Information

Steve Morris is the reason we have a sports section in our yearbook. He provided us with a multitude of pictures for each individual sport and provided us with the names of the players in all of the pictures. I know that he loved having me come and visit him to check on the status of the CD's, with each time saying, "She's back." Steve is a wonderful asset to both the Heights Yearbook and the Assumption Community as a whole.

President Francesco Cesareo

President Cesareo was also an integral part of this yearbook. He was willing to meet with me on numerous occasions to take pictures for the yearbook and he also was extremely willing and gracious when we asked him to write his reflection for the pages on his inauguration weekend.

Katie DiBuono, Class of 2008 President

Katie also helped the Heights Yearbook in a variety of ways. Katie was excited to write the "Letter from the Class President" and helped promote the yearbook by asking others to submit pictures for our use.

McGrath Studios

Steve from McGrath Studios provided us with not only the senior portrait pictures, but he also was at a variety of our senior class events. He took professional pictures that we were then able to use in our layouts for those events. He was also extremely personable and was always willing to put in such effort in order to provide us with the best pictures possible.

Parents of Assumption College's Class of 2008

The Heights Yearbook would also like to thank the parents of the Class of 2008. The participation this year of parents with submitting baby pictures was in record numbers. All of the heartfelt messages that parents sent in for their children helped us realize one of the many reasons we work so hard on this yearbook.

Seniors who submitted pictures

To everyone who submitted pictures- THANK YOU! It made our job so much easier when we had a plethora of pictures to choose from. We tried so hard in this yearbook to put at least one picture of each person and those who submitted pictures made it that much more possible. We understand the time it takes to choose the pictures you want to submit and send them to us, so we are truly thankful.

Class of 2008

And finally, to the Class of 2008. Without you and your memories, this yearbook would not be in existence. I would personally like to thank everyone who provided me with support and to those who wanted to know more about the yearbook. Hearing so many of you ask about the progress of the yearbook and telling me to "make sure it is good" really made it that much more enjoyable. This yearbook is a tribute to you and without you, this experience could not have been so memorable.

I am proud of you and your accomplishments. Achieving summa cum laude is a great achievement. Through it all you kept God first and held your family strong.

The steps of a good man man ordered by the LORD: and he delighteth in his way. Psalm 37:23

Our congratulations to all those graduating, and very best wishes for all the journeys yet to come.

"Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did. So throw off the bowlines, sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover."

Mark Twain
